Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Sunday 04 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers for tonight. Drier with sunny spells tomorrow.

This Evening and Tonight:
Showers will continue through the evening, still falling heavy at times and merging into showery rain for later. Rain gradually easing overnight with cloudy conditions and scattered showers to follow. Another fairly warm night. Minimum temperature 13 deg C (55 deg F).

Monday:
A cloudy start with scattered showers, at times heavy through the morning. Turning drier with long sunny spells developing into the afternoon. Feeling pleasant in the sunshine, light winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Tuesday to Thursday:
Tuesday, heavy rain likely and turning breezy later. Cloudy with rain or showers on Wednesday. Much drier on Thursday with some sunny spells and a few light showers.
